Please attach the following:

1. 1,000 word essay which outlines
 - a. Why you should be considered for this award – demonstrated leadership, academic excellence and passion about collaboration and innovative thinking in health care leadership
 - b. The qualities of a Laureate of the Canadian Medical Hall of Fame who inspires you to be a future leader and innovator of health care, please visit www.cdnmedhall.ca.
2. A focused Curriculum Vitae (maximum four pages) that demonstrates evidence of academic and leadership achievement, e.g.: Papers and publications
 - a. Awards related to leadership, innovation, entrepreneurial spirit and/or effective collaboration (peer recognition, research and academic projects)
 - b. Extracurricular activities in a leadership capacity
3. Three letters of support
 - a. Two from faculty members (not limited to faculty from your current school),
 - b. One from the community (employer, coach, supervisor, mentor, other health professional)

Note— these letters of support are an important component in the selection process and should include sufficient information about the candidate to support the nomination.

The department of Undergraduate Medical Education will consider all applications received for this award and will select one nominee to be put forth to the CMHF.

The complete application of nominees will be shared with the CMHF for final selection of award recipients.
The essay submitted as part of your application may be shared with Laureates of the CMHF.

Do you consent to have this information shared? YES NO

By submitting this application, applicants consent to the release of the said information as part of their application. Applicants hereby consent to CMHF collecting, using and disclosing the personal information collected for the purposes identified by CMHF and this shall be good and sufficient authority for so doing. CMHF Privacy Policy available at <http://cdnmedhall.ca/privacy-policy>.
